

Earth Day 2020

The world will be saved by beauty!

YARD SIGN DESIGN

With other climate change organizations we are pushing support for a Green New Deal in response to the climate emergency, and also as a great way to help with economic recovery. But of course, let your spirit guide you! Permanent markers or paint (acrylic is fine) would be best. If painting, scuff the surface of the plastic sheet so paint will adhere better. Tag: #nhcmearthday2020

TREE/BUSH/YARD/ DECORATING

Tie a green ribbon on a tree and write on it on attach notes.... channel Xmas. create ornaments to celebrate nature ... tie colorful ribbons in trees... etc.... Tag: #nhcmearthday2020

TAG FOR SPIRIT CONTEST

R2R Spirit Prize - Bianchi Bike - for the most creative, impactful, fun, beautiful way of marking the 50th Earth Day and celebrating Rock to Rock

- Get creating or moving or take a ride - Take action for a healthy & green planet while staying safe at home - Decorate your yard or sidewalk or make art for Earth Day & Climate Justice

- Chosen based on photos and videos of your creation tagged with #MyRockToRock and/or #RockToRock2020 on Facebook, Instagram or Twitter

- Please, follow physical distancing and public health guidelines at all times! Photos and videos that show people not following safety and health directives will be automatically disqualified.

- Must be posted by April 30 to qualify. Prize: Bianchi Cortina bike (step through or step over) donated by Devil's Gear.

Here are some suggested messages for your art:

Respect Earth
Spread Love
Protect Life
We're all in this together
Fear is Contagious. So is Kindness.
Distance Physically. Engage Socially. Act Globally.
Humility. Empathy. Frugality.
Another World is Possible
The Future We Want Starts Now
Be the Change
Help a Stranger
Active Hope
Government has failed us /
Protect each other
